

NAVIGATING ONLINE COURSES

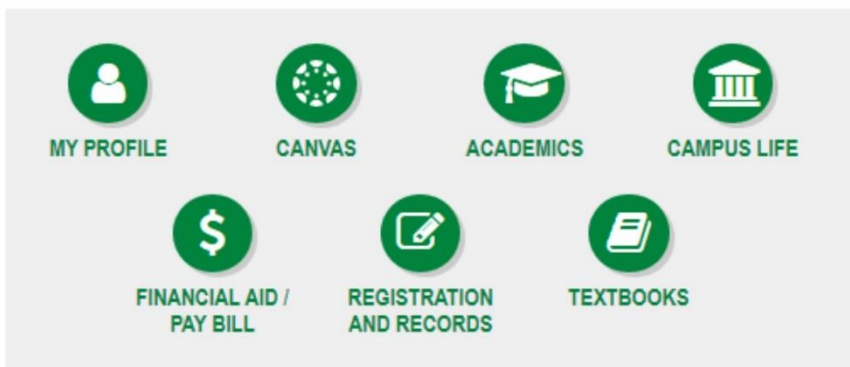

First time in an Online Class have you feeling nervous?

Never fear! The Student Success Center is here! Firstly, take a second to acknowledge that what you're feeling is perfectly typical! Many students feel anxious when starting online. follow through this guide to become an Online Pro!

Get to Know Canvas

Let me introduce you to your new best friend, Canvas! Canvas is Wilmington University's Learning Management System (LMS). This platform houses your classes, grades, homework, instructor information - and even free online tutoring! It is crucial to your success as an online student that you develop a good understand of how to navigate Canvas.

Let's Start with the Basics, Where Can You Find it?

Log into your MyWilmU account and navigate to the green button that says Canvas. You'll find it on the top of the screen!

Once you've successfully navigated to Canvas, click your course name in your dashboard and you're in! Let's look at all of the components of a course page in canvas.
