

**WILMINGTON UNIVERSITY
COLLEGE OF TECHNOLOGY
BASIC COURSE INFORMATION**

COURSE TITLE: Introduction to Video

COURSE NUMBER: TEC 102

All courses are open to students from all colleges. Only where a course is preceded by an introduction course is there a need to observe a prerequisite. However, students might benefit from prior knowledge on some of the courses, and this is given as the content found in your course catalogue by course code.

I. MAJOR INSTRUCTIONAL GOALS:

(Instructor may add goals to be included in the Basic Course Information)

GOAL A: Gain a basic understanding of the video production systems, equipment, methods and procedures

Learning Outcomes: The student will:

- A-1. Become familiar with the basic principles of electricity and the safety hazards associated with video production
- A-2. Learn the basic legal aspects of video production
- A-3. Become familiar with the television production system
- A-4. Become familiar with camera principles and techniques
- A-5. Become familiar with basic lighting principles and techniques
- A-6. Become familiar with basic audio principles and techniques

GOAL B Be capable of writing, directing, shooting and editing a basic single camera video production, that is both aesthetically pleasing and technically correct

Learning Outcomes: The student will:

- B-1. Learn the basic functions and features of video cameras and lenses
- B-2. Learn fundamental camera and tripod techniques
- B-3. Learn fundamental editing techniques
- B-4. Learn to identify basic audio and video connectors, adapters, and cables
- B-5. Be familiar with script writing and story-boarding

II. CLASS PARTICIPATION:

Students are expected to attend class and participate actively and in a positive way. Questions and relevant observations are encouraged and enrich the experience of the entire class.

Computers in the classrooms are intended to be used as tools to enhance the students' learning experience. Instant messaging, gaming, emailing, and surfing the web are distractions to the student, the surrounding students, and the instructor and constitute inappropriate behavior. Students are ethically obliged to avoid these and similar practices.
