

You shop. Amazon gives.

Did you know Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to the charitable organization of your choice?

WilmU faculty, staff, alumni and friends are asked to visit the **smile.amazon.com** and select "Wilmington University" as their charity of choice. Proceeds from this unique program will be used to help provide student scholarships.

Once you select your chosen charity, AmazonSmile will remember your selection and every time you log into AmazonSmile, Wilmington University will be preselected.

PLEASE NOTE - In order for WilmU to receive your contribution, purchases must be made on AmazonSmile and not Amazon.com. You will receive all of the same low prices and incredible shipping options.

Thank you very much for your continued support of Wilmington University!
