

Master of Education in Higher Education

Cultivate the Success of Adult Learners With the M.Ed. in Higher Education

Discover how to create positive learning environments and rich experiences for college-level students through WilmU's accredited M.Ed. in Higher Education, designed with optimal flexibility and options for personalization.

Strong Foundational Core Plus Your Choice of Concentration

Foundations of higher education courses serve as the core of this higher education master's degree, emphasizing research-based best practices. Students pick a 15-credit concentration of their choice: Teaching, Student Affairs or Administration.

Hands-On Learning To Build Your Resume and Professional Network

Each concentration within the M.Ed. in Higher Education features an immersive three-credit field experience that allows you to build partnerships while engaging in supervised leadership experiences in an area of your choice. You will assemble a professional portfolio with tangible assets showcasing your experiences, growth and reflections.

A Flexible MEd That Accommodates Your Schedule

WilmU's Higher Education master's degree program lets you advance your education while working full time. Seven-week course options provide added schedule flexibility.
