

Bachelor of Science in Accounting

Get Career-Ready With the BS in Accounting Degree

Job opportunities abound for qualified accountants. With Wilmington University's affordable bachelor's degree in Accounting, you'll be fully prepared to start your career in public, private or governmental accounting. And you'll love the flexibility of earning your degree in person, 100% online or through a combination of both.

Skills You Can Apply Across Industries

Develop analytic accounting skills and the technological know-how to excel in accounting positions in any industry. Coursework, including Accounting I and II, will provide you with the spreadsheet and software skills to prepare a complete financial package in accordance with Generally Accepted Accounting Principles (GAAP). The practical content of this degree program will ensure you are 100% job-ready upon graduation.

Comprehensive Preparation for CPA Jobs

WilmU's Certified Public Accountant (CPA) Review course and Accounting Review Certificate will not only prepare you to sit for the CPA exam but will also provide you with 120 hours toward the 150-hour requirement for becoming a licensed CPA. Offered in Delaware only by Wilmington University!

Small Accounting Classes With Expert, Caring Faculty

The BS in Accounting program is designed and instructed by experienced practicing accountants and other leading business professionals. Our low student-to-faculty ratio, 17:1, means you'll always have access to the instructors of your accounting classes.
