

# MSN + MBA or MSM in Health Care Administration

## Earn a Dual Master's Degree in Nursing and Business: MSN + MBA or MS in Management

Designed for nurses seeking expanded leadership roles, this affordable master's degree in nursing and business offers two options: an MSN with an MBA in Health Care Administration or an MSN with a Master of Science in Management in Health Care Administration.

### CCNE-Accredited Program Aligns With Your Career Goals

Choose the program of study best aligned with your goals. Each features a core of master's-level nursing courses that prepare you for advanced practice. The MSN + MBA program has a more quantitative approach, incorporating finance, economics and legal aspects into the curriculum. The MSN + MS in Management emphasizes leadership, change management and decision-making.

### Dual Degree Multiplies Your Career Options

These programs prepare you to guide health care staff and organizations through the challenges of the present-day health system. Take on managerial or executive roles, explore policymaking or advocacy, and grow your expertise in the financial and regulatory issues that affect nursing. These master's degrees in nursing open many doors.

### Flexible Program Fits Your Life and Budget

These dual-degree programs combine rigorous academics with unparalleled flexibility and affordability. Complete your program in person or 100% online through seven-week block classes. WilmU's low in-state tuition rates are available to all students, regardless of their state of residence.

**17 courses | 51 total credits**

Prerequisites may be required in addition to the designated coursework.

**\$1,611**  
per course

Cost of a typical 3-credit course

Classes start every 8 weeks.
