

# MSN in Family Nurse Practitioner

## Prepare for Advanced Practice With a Family Nurse Practitioner MSN

Designed for professional RNs who seek advanced or private practice opportunities, this CCNE-accredited master's degree program prepares you for APRN licensure and board certification. In the Family NP concentration, you'll blend theory, practice and scholarly inquiry, and you'll graduate ready to practice or seamlessly continue to doctoral-level study.

### Flexible Program Designed for Busy RNs

This affordable program couples rigorous academics with the flexibility working RNs need. The hybrid schedule combines online learning and synchronous virtual classes along with two face-to-face seminars that take place twice a year for practicum students. Practicum experiences begin in the latter half of your program of study, providing advanced notice for your scheduling needs.

### Accelerate Into a DNP

This program can be completed in 32 months. Through Dual-Credit ADVANTAGE™, you can accelerate into a Doctor of Nursing Practice program by using electives in this MSN program to complete selected doctoral-level courses. Other accelerated options are available for students maintaining high academic standing.

### Expert Instruction From Caring Nurse Leaders

Wilmington University faculty are experienced, active nurses and health care practitioners who understand the challenge of balancing shift work, family and master's degree courses. Their rich and diverse experiences in today's complex health care environment keep this MSN program on the leading edge of methodology and practice.
