

Diversity, Equity and Inclusion (DEI)

Undergraduate Certificate

Learn To Promote Cultural Competency

Our world is wonderfully diverse, comprised of individuals of different ages, religions, genders and cultures who hold different beliefs, abilities, ways of thinking and communicating, and so much more. This 18-credit DEI certificate, earned as a standalone credential or as part of a degree program, prepares students to competently work with diverse groups of individuals to explore and meet the needs of a pluralistic society. Students will benefit from high impact educational practices that address multiple dimensions of diversity.

While the DEI Certificate is a highly marketable standalone credential, it is also part of a series of stackable credentials. Through Dual-Credit ADVANTAGE™, a student can apply all 18 credits toward the AA in Interdisciplinary Studies as well as a number of bachelor's degree programs across multiple WilmU colleges.
