New! BACHELOR OF ARTS IN COMMUNICATION & MEDIA

Strong writers, confident speakers, avid bloggers, social media influencers, and inquisitive researchers should consider the Bachelor of Arts in Communication and Media as their choice for a college degree. With course work in communication media and design, journalism and newswriting, intercultural communication, and strategic communication planning, this degree prepares students to pursue occupations as social media managers, public relations specialists, reporters, spokespersons, editors, and researchers.

New! BACHELOR OF ARTS IN HUMAN SERVICES

If you wish to serve the disadvantaged and distressed, want to make a difference in your community, care about others and can advocate for those who cannot advocate for themselves, the Bachelor of Arts in Human Services may be the degree for you. Course work in family dynamics, family law, developmental psychology, personality theory, abnormal psychology, criminology, and case management, all prepare for a career in child advocacy counseling, community outreach coordination, juvenile court advocacy work, family support coordination, or social services case work that offer rewards beyond just a paycheck.
