Engage from Day One

- Marywood's blended learning model makes it easy to adapt in-person classes to have an online component available for a safe, flexible learning experience.
- Operate equipment in TV studio, work in the SIM lab as a first-year nursing student, experience teacher classroom observations first year...there are so many examples.
- Recent internships include AT&T, Quantum Analytical & Environmental Labs, IBM, U.S. Secret Service, Walt Disney World, to name a few.

Affordable Excellence

- **75%** of first-time students receive scholarships worth more than ½ their tuition.
- **99%** of first-time students receive financial aid.
- Academic scholarships range from **\$16,000-\$23,000** per year.
