Where do you see yourself?

It doesn't have to be just one direction.

At UVM, your learning and experiences will connect across fields of study. You'll widen skills and perspective, as well as deepen knowledge in a chosen area—one of these. Love how you learn as much as what you learn; the combination will take you far.

ARTS, HUMANITIES & SOCIAL SCIENCES

How do we create a just society? What is the nature of happiness? Study in the arts, humanities, and social sciences at UVM includes practical experience and exploring big questions.
