

PATH TO CAREER SUCCESS

Prepare to launch.

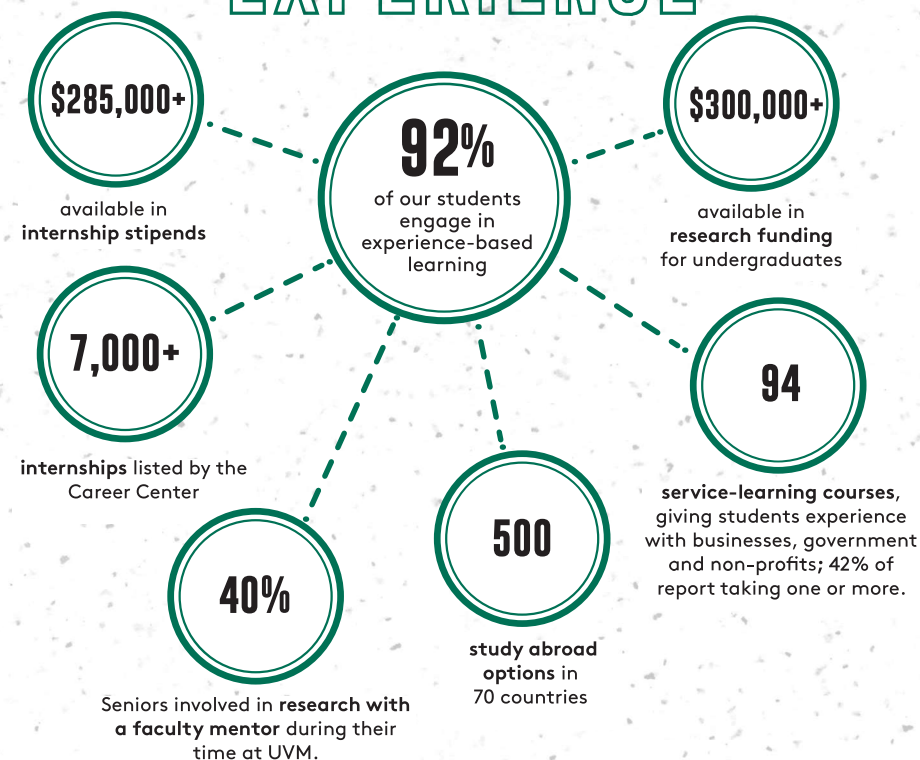

TAKE ACTION EACH YEAR AND BE READY FOR SUCCESS.

- YEAR 1** **EXPLORE.** Join a Career Interest Group, get involved with a club— begin to discover your strengths and interests.
- YEAR 2** **EXPERIENCE.** Pursue internships, attend career events, consider studying abroad.
- YEAR 3** **FOCUS.** Research graduate and professional programs, practice interviewing, attend networking events.
- YEAR 4** **ACHIEVE.** Seek leadership positions, join a professional organization, attend on-campus recruiting events and career fairs.

At UVM, career-building is collaborative. Get started by joining a Career Interest Group*—a network of peers, faculty, employers, alums, and others who care about the same things you do; just log into UVM Handshake. Also, visit the Career Center and ask about campus involvement, internships, study abroad, and research opportunities. Learn how to build a portfolio, shine in an interview, and expand your network at more than 400 annual workshops and events.

* UVM Career Interest Groups include: Arts, Media & Communication; Business & Entrepreneurship; Education, Policy & Impact; Food, Environment & Sustainability; Health Professions: Science Technology, Engineering & Math (STEM); Exploring
