What is an Advisor?

For each of our student organizations at Wilmington University, being an Advisor may mean very different things. You could assume numerous roles and become very involved with your group. Some examples of roles you may fill are: Mentor, Team Builder, Conflict Mediator, Educator, Motivator and Policy Interpreter.

You may, however, decide to be “hands off” and allow your students to lead the organization. By guiding students and allowing them to take on challenges, you help them to grow while allowing them to make decisions and mistakes on their own.

Ultimately agreeing to be an advisor you are accepting responsibility for the development of the students you oversee and the organization you assist. In addition, it is your responsibility to inform the students of policies and procedures that have been put in place to promote the progress of the University as a whole.

Student Life Mission: The purpose of the Student Life division is to provide student services that will enhance student learning and develop the student as a whole. We will expose students to social, cultural, and co-curricular programs that will promote student learning, personal growth and opportunities to connect with other students. Our department will operate as a cohesive group where professionalism and respect for each other is vital.

We are dedicated to collaborating with other key stakeholders of the University, an essential support group to enhance the student experience. We are passionate about making our students' college experience a positive one and are committed to consistently improving services to ensure programs are at the highest quality possible and which meets our diverse students' needs. Innovation, higher education best practices, and care and concern for students will be guiding principles for our operations.

ROLE OF THE ADVISOR

- ✓ Must be a full-time staff member or faculty of Wilmington University
- ✓ Must be present at all events, activities, and trips. If the advisor is not able to attend, it is their responsibility to designate another chaperone (full-time or part-time employee of Wilmington University) or the event, activity, or trip must be cancelled.
- ✓ Must be aware of all organization meetings. During meetings, advisors must be available if students have any questions or concerns.
- ✓ Liaison to the Office of Student Life (OSL). The advisor must communicate regularly with the Office of Student Life regarding events, activities, and fundraising.
- ✓ All events and fundraising activities must be approved through the OSL. Requests for events and fundraising activities should be submitted one month in advance and proper documentation must be furnished for all.
- ✓ Monitor/approve treasurer's report and minutes of every meeting.
- ✓ Keep a file of pertinent information regarding the organization such as minutes, treasurer's reports, by-laws, current member list, etc.

RECRUITING MEMBERS

Without members, there would be no organization! This makes recruiting one of the most significant activities your group participates in. So, what are the keys to making your group successful and highly participatory?

"In the great mass of our people there are plenty of individuals of intelligence from among whom leadership can be recruited"

Herbert Hoover

Successful Recruiting

Recruitment should be:

- ✓ Personal
- ✓ Specific
- ✓ Meaningful
- ✓ YEAR ROUND
- ✓ The responsibility of all of the members

How do you Make Recruitment Personal?

Know your group and its purpose. What is the passion behind the group? What are the ambitions and goals of the group? Define who you are and who you want to be and that will make it easier to "sell" your group to perspective members.

How do you Make Recruitment Specific?

Knowing who you want to be a member of your group will help you as well. We have an extremely diverse population here at Wilmington University that offers a wide variety of personal interests and needs. Analyze different characteristics of members (major, interests, age, etc.) and target that group of students.

How do you Make Recruitment Meaningful?

The activities and involvement of the students should be both beneficial to the members as well as the organization.

Make Recruitment Year Round

We cannot stress enough the importance of making recruitment year round. With semesters and blocks starting and ending so many different times throughout the year, we are constantly seeing new faces. It is important to make sure students hear about your organization throughout the year and even in the summer! *Ensure your club participates in Wildcat Welcome Week.*

How do you Make Recruitment the Responsibility of all Members?

Word of mouth is the best recruitment tool you have; why not use all the assets in your group? Have members tell friends and peers about the group and even host "bring a friend" meetings. It is also important for all of your members to understand how important it is to make new members feel welcomed. Everyone wants to feel like he or she belongs.

TEAM BUILDING

Points to Enhance Team Effectiveness

- ✓ Determine a specific team goal
- ✓ Learn the strengths of each team member
- ✓ Clarify group expectations and discuss University policies
- ✓ Identify barriers that may keep the team from achieving its goals
- ✓ Use effective communication skills
- ✓ Develop a plan to accomplish the goal
- ✓ Put the plan into action
- ✓ Evaluate the plan and the procedure

What is Team Building?

“When a team in an organizational development context embarks upon a process of self-assessment in order to gauge its own effectiveness and thereby improve performance it can be argued that it is engaging in team building, although this may be considered a narrow definition.” (Wikipedia)

The process of team building includes:

- Clarifying the goal and building ownership across the team.
- Identifying the inhibitors to teamwork and removing or overcoming them, or if they cannot be removed, mitigating their negative effect on the team.

To assess itself, a team seeks feedback to find out both:

- Its current strength as a team.
- Its current weakness.

To improve current performance, a team uses the feedback from the team assessment in order to:

- Identify any gap between the desired state and the actual state.
- Design a gap-closure strategy.

RETAINING MEMBERS

Easy Ways to Boost Member Morale

- ✓ Offer feedback
- ✓ Provide a sense of unity
- ✓ Compliment good work
- ✓ Initiate recognition (Press releases, awards)
- ✓ Initiate social interaction
- ✓ Allow for new challenges

In order to retain members your group will need to acquire member loyalty, interest, and best effort. One of the best ways to do this is by giving your members a sense of belonging. Letting all members know that they are welcome and needed by allowing them to be part of your planning and execution of objectives will help them feel respected and appreciated.

Communication is also an important element in retaining members. By being upfront with students about goals, objectives and policies you give members important tools. They will be able to decide if the group values are consistent with their own and how they will contribute to the total outcome of the group.

As with recruiting, retention should also be an ongoing objective for your group. Current members of your organization that drift away take with them good experiences or leadership that could benefit your group. Keep seniors involved by remembering that their goals have changed from when they first joined so the organization needs to be sensitive to that.

The Key to Retaining Members: Information

Make sure to give your members all of the information they need to develop into full functioning team members. It is important to establish rules and recognize policies to set standards for your organization early on. This will minimize “surprises” for members and give them both boundaries and goals.

GUIDELINES FOR STARTING A NEW CLUB

All student organizations fall under the Student Government Association (SGA). All new clubs will have a two-step approval process.

In order for a group of students to receive preliminary approval to ultimately be recognized as an organization under SGA auspices, the club must do the following:

- A. The first step is to submit an [application](#) with the club's proposed name, its mission, requirements of members, if the organization will be a chapter of a national organization (if so, you must include charter guidelines), the name of the advisor (must be full-time WilmU employee) with their attached agreement, and proposed meeting times to receive preliminary approval from the Director of Student Life.
- B. The second step is to hold an interest meeting, confirming at least five interested students. A log of students who attended the interest meeting along with their contact information then must be submitted to the Director of Student Life.

The Director of Student Life will review the proposed student organization's application. All applications will be reviewed but subject to approval. Applications will be reviewed within 30 days. If the application receives preliminary approval, students can hold an interest meeting. Students have 30 days to host an interest meeting and obtain five student signatures. Students are unable to solicit membership until they have received written preliminary approval.

Once the interest meeting is held, the list of signatures must be sent to the Director of Student Life for final review. If the organization is approved, it becomes an officially chartered organization of the Wilmington University Student Government Association.

You must have written approval from the Director of Student Life prior to formation of the club. The advisor of the new organization will receive notification from the Office of Student Life upon review of the application and after a final review.

All new organizations will have a 60-day probationary period immediately following the approval of the club. There must be a minimum of at least 5 members (comprising of students currently enrolled at the University) to officially maintain charter status. Within this 60-day period, the organization must submit the following:

1. List of all members
2. Club's executive board including their office position (i.e. president, vice president, secretary, and treasurer)
3. By-laws
4. Meeting times, dates, and locations

All student organizations must abide by the Guidelines for Student Organizations and all University policies. Failure to do so could result in disciplinary action, including disbandment of the club.

GUIDELINES FOR STUDENT ORGANIZATIONS

To maintain chartered status, organizations must be comprised of at least 5 currently enrolled students at the University of which two students must hold positions on the Executive Board (President and Secretary). Furthermore, each organization must maintain at least a President and a Secretary. Finally, organizations are also required to submit Club/Organization Information Form (see attachment H) by October 31ST of each academic year.

A chartered organization of the Student Government Association (SGA) is responsible for having a representative report to the Executive Board at least once a month. The SGA advisor will inform all active organizations about meetings information at least three weeks in advance.

If an organization is going to have dues, raise funds, levy fines against its members, make expenditures, etc., the treasurer will be responsible for tracking these funds and a report must be given at each monthly SGA meeting.

Minutes must be recorded for each student organization meeting and distributed to all members and the advisor. The Secretary should be responsible for keeping all minutes throughout the year.

Students must follow the Wilmington University Code of Conduct (see Student Handbook – www.wilmu.edu/studentlife/handbook) at all official University and organization sponsored events.

To disband an organization due to lack of members or funds, notice of the circumstances must be given to the Director of Student Life by the Advisor of the said organization. All funds and real property purchased by the organization will be held in escrow for a period of no less than twelve (12) months, and then becomes the possession of the SGA. The organization will be responsible for all the debts it incurs.

If an organization disbands, it must re-file for charter before it is again recognized by the SGA.

ACTIVITIES OR EVENTS

All activities, trips, or events must be cleared through the Office of Student Life.

The Student Travel Approval form (Attachment A) must be submitted for each trip at least two weeks prior to departure. The Student Activities: Event Approval Form (Attachment G) must be submitted at least one month in advance. Additionally, any flyers for meetings and events must be submitted to Student Life for approval.

Obtain emergency contact information on every person attending the trip and leave with someone that is not traveling with the group. See attachment B for a sample.

Read over the Transportation Policies and make sure that the Student Emergency Contact Sheet and Group Trip Itinerary are filled out. See attachment E for a sample.

Do Your Paperwork Now to Make Next Year Easier!

After an event, evaluate and follow up, request feedback from staff and attendees. Schedule a follow up meeting to discuss what went well and areas of improvement.

Giving Back

We highly encourage each organization to participate in *at least 25* hours of community service each school year. To submit your event form, participate in or help with scheduling community service events, please contact Dr. Taylor McCusker at taylor.e.mccusker@wilmu.edu or at 302.356.6968. All club community service opportunities will be posted on the ADC online calendar.

Tips for Planning Successful Events/Activities

- Plan an initial meeting with the event committee.
- Establish a budget. Consider: Facility Rental, Catering, Equipment Rental, Printing Costs, Transportation, and Accommodations.
- Choose a date. Have at least two (2) dates in mind: a preferred date and a just-in-case alternative date. That way, when you start checking out available facilities, you'll be able to choose the best option. Be sure to factor in national and religious holidays, school vacations, and semester breaks.
- Select a location. If using space at the New Castle camps, contact Kim Conwell at kimberly.n.conwell@wilmu.edu for reservations.
- Apply for and be sure to have written confirmation of approval from the Office of Student Life.
- Determine your audience—Students, Faculty, Staff, Alumni and/or Off-Campus Guests.
- Determine a realistic expectation of the number of people who will attend the event. Requiring RSVPs is a great way to determine a more accurate number of attendees.
- Identify one person who will be the main contact for the event.
- Develop a detailed preliminary agenda. Be sure to include a timeframe of the various components of the event.
- Promote your event. Advertise the event through flyers, website, bulletins, video messaging TVs, Calendar of Events, word-of-mouth etc.
- Reconfirm Everything! A couple days prior to the event take some time to reconfirm everything.

Student Transportation Policies and Procedures

Introduction

The safety of our students at Wilmington University is very important. Statistics have shown that travel by student groups can pose risks. With this in mind, Wilmington University has instituted the following policies and procedures for student group travel. All student groups must abide by these procedures.

I. Student Trip/Activity Travel Approval

Student groups must go through the following procedures when planning any trip while representing Wilmington University.

Non-athlete student groups who wish to take a trip must first complete the *Student Travel Trip Approval Form*. The form is available from the Director of Student Life. This form includes general trip information (date(s), destination, and distance round-trip), the preferred mode of transportation, hotel names and contact information, names of University staff who will be supervising the trip, and a description of how the trip will be funded. This form must be turned into the Director of Student Life for approval. No trips may be scheduled before they have been approved by the Director of Student Life.

Travel by student-athletes must be approved through the Assistant Vice President and Athletic Director. The *Student Travel Trip Approval Form* will only need to be completed for any overnight trips that are for non-conference games.

All groups (general student organizations and athletics) must show that they have the funds in place to take the requested trip.

In cases of inclement weather, the Director of Student Life has the final authority to cancel any general student trips, and the Assistant Vice President and Athletic Director has the final authority to cancel any student-athlete trips.

II. Policies and Procedures for Road Travel with Chartered Bus Companies and Air Travel by National Airlines

All student travel must use a chartered bus for group travel for any trip under 6 hours from the New Castle Campus. Student groups must use a national airline for any travel that is over 6 hours from the New Castle Campus.

Student groups shall book their travel through the Director of Student Life. All athletic travel shall be booked through the Assistant Grounds/Associate Athletic Director

Once the company has been booked, a copy of their insurance information will be requested and kept on file in the proper office.

Prior to departure, all student organizations shall complete the following forms:

1. *Team/Student Group Trip Itinerary Form*;
2. *Student Emergency Contact Information Sheet*;
3. *Travel Permission Slip* (for any traveler under 18);
4. *Health Form and Consent to Receive Treatment* (for any traveler under 18).

For student groups, these forms will be kept on file in Office of the Director of Student Life; the Assistant Vice President and Athletic Director will keep the forms for all student-athlete travel. In addition, copies of the Emergency Contact forms will also be given to the Assistant to the Vice President of Student Affairs (for student groups) and the Athletic Director (for athletic trips). They will keep these forms in case of any unforeseen emergency.

The transportation companies used for each trip will be given a list of emergency contact information. For student groups, the list will include contact information for the Director of Student Life, the Assistant to the Vice President of Student Affairs and Dean of Students and the Vice President of Student Affairs. For athletic trips, the list will include contact information for the Assistant Vice President and Athletic Director, Associate Athletics Director/ Compliance Coordinator, Assistant to the Vice President Student Affairs and Alumni Relations & Coordinator of Special Projects, and the Vice President of Student Affairs. The transportation companies will be instructed to contact these people IMMEDIATELY in case of any catastrophe.

Coach and Club Advisor (Paid or Volunteer) Code of Conduct

- Every Coach or Club Advisor has an ethical obligation to maintain a professional relationship with students and to place the well-being of students ahead of their own personal interests. Conflicts of interest are endemic to amorous relationships between coaches/advisors, and students. The costs to the team/club and the University necessitate a strict prohibition on amorous relationships between coaches/advisors and students.
- Coaches and advisors may not serve alcohol to or consume with students, student workers or recruits.
- Coaches and advisors should use their best judgement when visiting restaurants or establishments where alcohol is served and should not consume alcohol in the presence of students.
- Conduct inconsistent with Wilmington University values is inappropriate and will not be tolerated.
- Coaches and advisors may not have students stay overnight at their personal residence nor transport them in their personal (or University owned) vehicle or other forms of transportation.
